

The PALA

U B U D

The Joy of Silence

In a world that rarely slows, we created The Pala Ubud Resort as a place where you can pause, breathe, and feel at ease as you rediscover the joy of silence.

Envisioned by the founders and renowned Indonesian architect Popo Danes, our six villas create a refined yet unpretentious sanctuary where modern comfort meets the calm rhythm of nature.

Designed for families, couples, and small groups seeking tranquility, The Pala Ubud Resort sits quietly just 15 minutes from Ubud's cultural heart.

Venue Overview

A setting defined by privacy, flexibility, and quiet sophistication, offering a collection of distinct spaces for gatherings of different rhythms and intentions. Ideal for weddings, family occasions, restorative retreats, or discreet C-level summits, where business and leisure flow with ease.

Four distinct settings shape the experience: the Agung Main Lawn, the Hura Restaurant and Lawn, the Sanghyang Rooftop, and a riverside lawn. Each with its own atmosphere, yet seamlessly connected by the spirit of Ubud.

Villa Agung

Main Lawn

Up to 200 guests
360 m²
20m x 18m

Arrival Lounge (Ground floor)

Up to 40 guests
209 m²
19m x 11m

Efficient Event Preparation and Operations

Easy access routes and back-of-house areas enable vendors and catering teams to manage large-scale setups efficiently, ensuring smooth event execution without disrupting the privacy of residents.

Event-Ready Technical Infrastructure

Purpose-equipped power supply and audio infrastructure support weddings, banquets, and performances, providing dependable technical flexibility for a wide range of events.

Adaptable for High-End Summits

Designed for small, high-level gatherings, the villa's multi-level layout supports both focused exchange and unhurried moments of retreat. Spaces can be adapted into meeting areas, breakout zones, or private discussions, with flexibility that respects both privacy and pace.

Villa Sanghyang

Main Gazebo

Up to 20 guests
20 m²
12m x 4.5m

Elevated Open-Air Event Setting

An open-air rooftop venue designed for sunset receptions, cocktail gatherings, and informal social events. The space offers a naturally relaxed atmosphere suitable for evening programs and light entertainment.

Rooftop deck

Up to 45 guests
220 m²
Left side: 12m x 7m
Right side: 17m x 8m

Integrated Indoor Support Space

A light-filled conservatory lounge serves as an indoor extension of the rooftop, suitable for meetings, breakout discussions, or quieter sessions.

Flexible Zoning for Multi-Use Events

The rooftop and adjoining areas can be configured to support a range of event formats, including receptions, breakout sessions, and small performances. Covered gazebos provide functional zones for bar service, live cooking, or supporting event operations.

Hura Restaurant

Main Lawn & Restaurant

Up to 60 guests
240 m²
24m x 10m

Intimate Celebrations

Framed by open lawns on either side, Hura Restaurant offers a semi-outdoor setting where dining and gathering unfold with ease.

Intimate in scale yet open in atmosphere, it lends itself to weddings and smaller banquets, where moments of celebration are accompanied by light performances and unhurried conversation.

The space remains adaptable in its rhythm and arrangement, allowing each occasion to be shaped with subtle intention—whether for shared meals, quiet exchanges, or evenings that extend gently into the surrounding landscape.

Riverside Lawn

Up to 60 guests
270 m²
21m x 13m

A Distinctive Riverside Experience

Set along the Pakerisan River, one of Bali's most culturally significant waterways, the space offers a rare sense of place—bringing depth, authenticity, and quiet meaning to gatherings.

Tailored for Intimate Weddings, Retreat & Outdoor Programs

Ideal for yoga, meditation, and riverside gatherings, the space supports both structured wellness activities and informal outdoor events in a calm environment.

Complete Privacy in Nature

Enclosed by dense forest and naturally shielded from the outside world, the setting ensures a high level of privacy and stillness, ideal for nature-immersive experiences.
